

# Round Lake Academy Course Proposal

---

Round Lake Academy is a commitment to professional development. It provides RLAS educators with worth while professional development in accordance with district initiatives, best practices and current needs. The Academy will provide new teachers, as well as veteran teachers with the tools they need to succeed in our district. It will also aid our current teachers with opportunities to continue to grow and flourish in their craft.

As an Academy instructor, your responsibility will be to create an engaging course, aligned with the Illinois State Professional Teaching Standards. The course must also align with current research, best practices for instruction and individual learning styles.
